

Rack 'em Up is an 18 round, 90 point Comstock course of fire. The course consists of 5 metric targets, 2 poppers and 6 plates. The best 2 hits per paper target will score. Steel targets must fall to score.

The start position is standing in the box, facing downrange, hands above shoulders. Your gun will be loaded and holstered. PCC start is shouldered, muzzle downrange below horizontal, held in both hands with the safety on. Magazine capacity is limited to 10 rounds.

Upon the audible start signal, engage targets from within the fault lines as they become visible. PP2 activates T1, which is a turning target with two facings before disappearing. Do you have any questions? You have 5 minutes to examine the stage before we start. Good Luck!
